

## 1XV UPDATE

The first team's league campaign is underway! The 1<sup>st</sup>'s despatched Chippenham 3rds in style and with surprising ease, baring in mind all the recent player departures, new faces and positional changes.

As well as the fantastic effort by the players, the new leadership of captain, Alan Wicks, vice captain, James Gladding and of course, new coach Richard Kearney must also take some credit for this quality performance.

A full match report and match gallery is now on line.

## MORE PLAYERS NEEDED

With all last season's retirements and relocations, a number of places have become available and the club would welcome any interested new players, or any fresh challenges from existing players. Please help spread the work of Calne RFC and help us pull in the extra 6 to 8 players we urgently need to continue to competitively field two teams.

Please point any potentially new players toward our website, or give them Matt Snell's contact details. Alternatively, please pass on any contact info to Matt, who will contact the interested party directly.

## MORE FRONT ROW NEEDED

One of the biggest recruitment concerns for the coming season is the urgent need for more front row players. The pool of players for Rich, Alan and Dolly to draw on seems to shrink week on week. Again, please talk to any front row guys you know and pass on Matt's info.
